A home from home

Welcome to Derwent Lodge Nursing Home

About Derwent Lodge

Situated on the banks of the River Mersey, Derwent Lodge provides a relaxed and homely atmosphere. The staff here at Derwent Lodge offer exceptional comfort and care. The home offers a large communal lounge on the ground floor that has floor to ceiling windows providing a spectacular view of the River Mersey, looking out onto the sky line of Liverpool. The communal lounge has access to a small outside patio area with a ramp to accommodate anyone wishing to enjoy the view.

Care

We offer a high level of personal and tailored care for our residents. As support is very important we are equipped with support technology. We have warm, caring staff who encourage a family environment. Relatives, friends and pets are welcome to visit as we believe this helps residents keep links with the outside community.

Our Team

A cosy home with a friendly and homely atmosphere, where each member of staff is well trained and dedicated to ensure all our residents receive the highest quality of person centred care. Our main priority here at Derwent Lodge is to ensure each individual is treated with respect, dignity and encouraged to remain as independent as possible. Our team work together at all times and in all departments to ensure our home is well maintained and runs in a relaxed and safe manner.
