CARE, QUALITY & COMPASSION

A home from home

Welcome to Hafod House Residential Home

About Hafod House

We are very proud of our care home and recently celebrated 20 years in quality care. Hafod House is set in 21/2 acres of beautiful countryside and is located in the North East Wales Borderlands, only minutes from the market town of Wrexham and 20 minutes from the city of Chester.

Care

We offer a high level of personal and tailored care for our residents. As support is very important we are equipped with support technology such as bath hoists and stair lifts. A helping hand is also offered at meal times to residents who require it.

We have warm, caring staff who encourage a family environment. Relatives, friends and pets are welcome to visit as we believe this helps residents keep links with the outside community.

Our Team

A cosy home with a friendly and homely atmosphere, where each member of staff is well trained and dedicated to ensure all our residents receive the highest quality of person centred care. Our main priority here at Hafod House is to ensure each individual is treated with respect, dignity and encouraged to remain as independent as possible.

Our team work together at all times and in all departments to ensure our home is well maintained and runs in a relaxed and safe manner.
