About Lezayre Nursing Home

Lezayre Nursing Home is a Victorian building situated in the shipping town of Rock Ferry. Lezayre is ideally placed for visits to Birkenhead, Liverpool and Chester, and the Welsh hills are only a 30 minute drive away. Our gardens are exceptionally pleasant. There is a purpose built patio area for wheelchair access plus a luxury BBQ area. Furthermore for those who wish to participate, a separate resident garden area is available.

Our home can cater for 36 residents so the atmosphere is of an extended family feel. We encourage resident and family input and will aid to make rooms more personalised where possible thus leading to a more holistic approach. We have updated and continue to upkeep the home to ensure the best standard of living for our residents and appreciate their input during refurbishments of the home.

Care

We offer a high level of personal and tailored care for our residents. As support is very important we are equipped with support technology.
