### About Old Vicarage

The Old Vicarage Nursing Home is situated on the outskirts of the small village of Gobowen. The home is in close proximity to local shops, a Post Office, a Dental Surgery, the local village public house and a train station. These local services are easily accessible for all who live here to enable them to continue being part of the local community.

The home is also situated to the market town of Oswestry where further services can be easily accessible should they be required. The building is a former vicarage and has been extended in recent years to provide more single rooms with en-suites.

### Care

The home has 41 bedrooms, both single and double rooms which can accommodate married couples and siblings if required. The home has a peaceful garden area that overlooks allotments and lovely countryside.
