A home from home

Welcome to Vyrnwy Nursing Home

About Vyrnwy Nursing Home

Vyrnwy is a friendly home providing nursing care for elderly, frail and dementia patients in a warm and kind environment. The home has a picturesque and tranquil setting beside the River Vyrnwy, in the village of Llansantffraid and is close to local amenities such as shops, pubs, post office, restaurants, and a church.

Care

We offer a high level of personal and tailored care for our residents. As support is very important we are equipped with support technology. A helping hand is also offered at meal times to residents who require it. We have warm, caring staff who encourage a family environment. Relatives, friends and pets are welcome to visit as we believe this helps residents keep links with the outside community.

Our Team

A cosy home with a friendly and homely atmosphere, where each member of staff is well trained and dedicated to ensure all our residents receive the highest quality of person centred care. Our main priority here at Vyrnwy Nursing Home is to ensure each individual is treated with respect, dignity and encouraged to remain as independent as possible. Our team work together at all times and in all departments to ensure our home is well maintained and runs in a relaxed and safe manner.
